WELCOME TO COLUMBUS!

Columbus has been called one of the best cities in the world for architecture lovers. We think it's a great place to fall in love with design for the first time, too. But Columbus offers more than great buildings, people from around the world visit to experience public art, shopping, and family fun.

BEGIN AT THE VISITORS CENTER

Located at 506 5th Street (V15 on map), the Visitors Center is the place to get tour info, maps, and city guides. While you are there, watch informational videos, check out the expansive gift shop, walk through Gallery 506, and see an installation by renowned glass artist Dale Chihuly.

DINING

Uncover great local and national favorites on the website or stop by the Visitors Center to pick up a variety of free guides.

Find a complete list of dining options on the Visitors Center website at :
